

An aerial photograph of Santo Domingo, Dominican Republic, featuring a network of white lines and dots overlaid on the cityscape. The network is denser in the upper left and right corners, with a prominent circular node in the center-right. The city below shows a mix of modern high-rise buildings and older, lower-density structures. In the foreground, a large circular plaza with a central monument is visible, surrounded by roads and greenery. The ocean is at the bottom of the frame.

INFORMATION

ENTRY INTO THE DOMINICAN REPUBLIC (E-ticket)

Mandatory Entry Requirement: Electronic Ticket (E-ticket)

All passengers entering or leaving the Dominican Republic are required to complete the digital migration and health form known as the E-ticket. This digital document replaces the former paper Embarkation/Disembarkation Form, Customs Declaration and Health Affidavit.

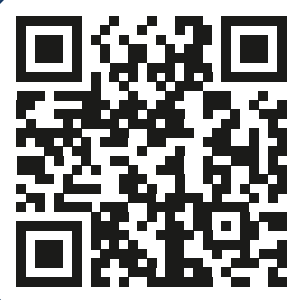

Key details

Mandatory requirement: The QR code generated by the E-ticket is a strict requirement and must be presented both to airlines at check-in and to immigration authorities upon arrival in the country.

Cost: The process is completely free of charge.

When to complete it: It is recommended that travelers complete the form once flight details are available and before passing through immigration control upon entry.

One form per group: If traveling as a family or group, the information of all members may be entered in a single form.
